Subject: 5th-8th Grade Technology Use Agreement

Dear Middle School Families,

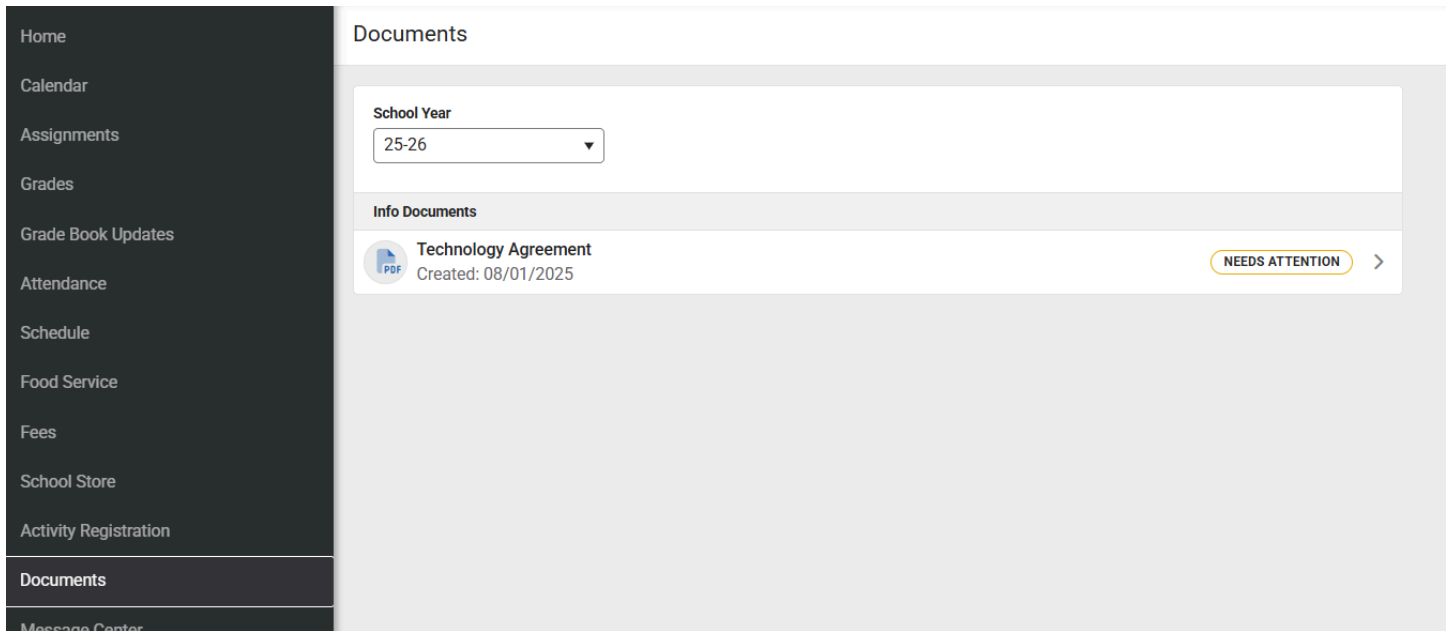

In order to ensure our students understand the expectations around Chromebook and internet use this year, we will be requiring a signed technology use agreement for each 5th through 8th grade student before devices are issued. The technology agreement can be accessed and signed electronically from your [Infinite Campus Parent Portal](#). Please review and sign **by August 13th** so that your child can be issued a Chromebook when school starts.

In order to sign the agreement:

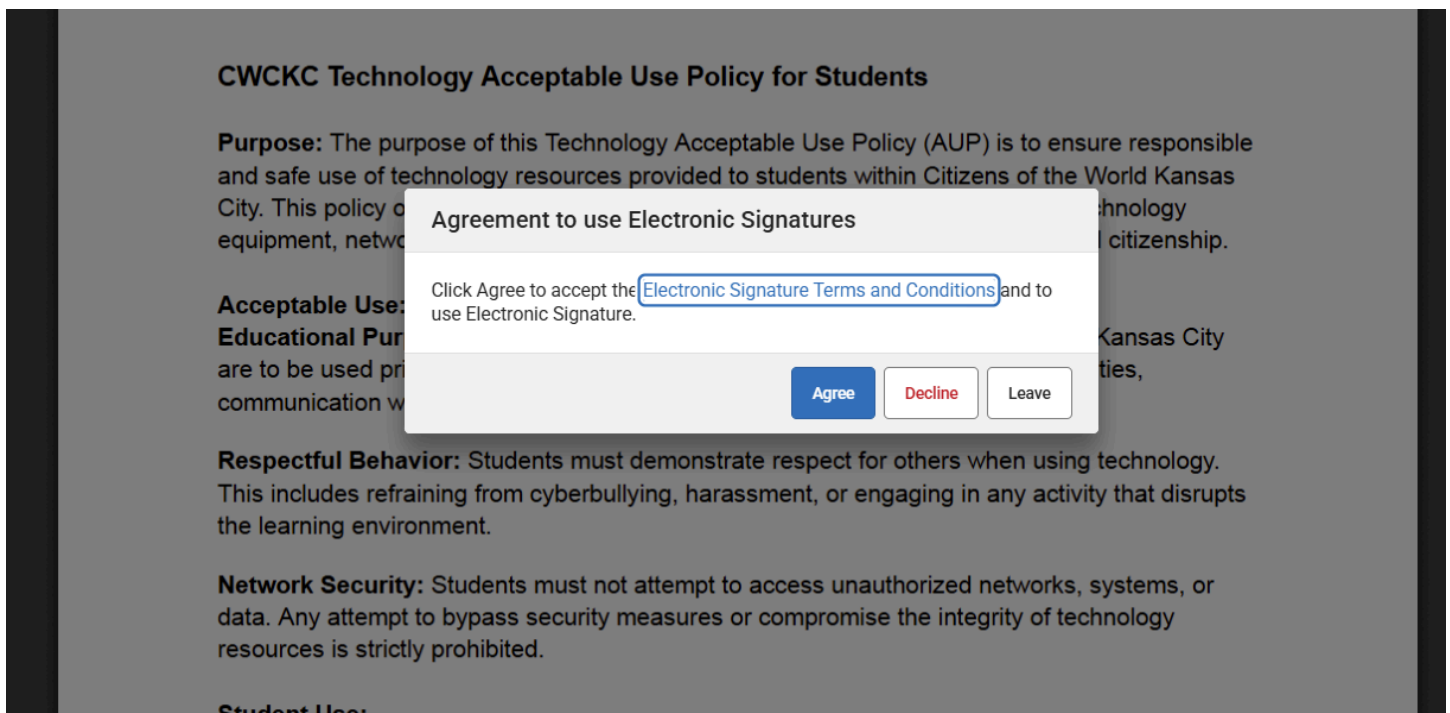

1. Log into your [Parent Portal](#). Please contact Ms. Kidd at tisha.kidd@cwckansascity.org for assistance.
2. Click on "Documents".

3. Click on "Technology Agreement".

4. In order to sign digitally and use the electronic signature, click "Agree".

5. After reviewing the agreement with your student, scroll all the way down to the signature page. Click on the red pen & paper image to digitally sign the document. Only one parent/guardian needs to sign. Then click the blue "Submit" button.

The screenshot shows a digital signature page titled "Technology Agreement". The page is part of a document with 7 pages, currently on page 7. The left sidebar contains a navigation menu with items: Calendar, Assignments, Grades, Grade Book Updates, Attendance, Schedule, Food Service, Fees, School Store, Activity Registration, Documents (highlighted), Message Center, and More. A red arrow points to the "Submit" button at the bottom left. The main content area has two signature sections. The first section includes the text "This electronic signature, for all purposes of legal documents, is the same as a pen-and-paper signature or initial." followed by a signature line with a red pen and paper icon, a date field showing "08/01/2025", and a printed name line. The second section is identical but currently empty. At the bottom, there are "Submit" and "Next" buttons.
