Dear Business Owner/Manager,

I hope this correspondence finds you well. On behalf of Citizens of the World Charter School -- Kansas City, I am writing to respectfully request your support for our upcoming school event; ***Night On Broadway*****.** An event celebrating the talents and achievements of students in our Electives Department, featuring an art show along with performances in music, debate, dance, and more. This event serves not only as a celebration of student excellence but also as an opportunity to engage our broader community. The event will take place on the evening of May 14th, from 6-8 p.m. at Kansas City Young Audiences (3732 Main St, Kansas City, MO 64111).

In conjunction with this event, we are organizing a fundraising initiative through the sale of a "Community Coupon Book." We would be grateful for the opportunity to include a coupon or promotional offer from your business. Your participation would not only provide valuable exposure to event attendees but also directly support our students and educational programs.

Your support will:

- Increase your visibility to a broad network of families, staff members, alumni, and community members
- Demonstrate your commitments to student growth, empowerment, achievement, and education as a whole
- Provide a meaningful investment in programs that uplift and equip students for long-term success, while providing them with life changing opportunities

Should you be willing to participate, we kindly request that all coupon submissions be received by May 7th. We would be pleased to assist with the creation or formatting of your coupon, if necessary. We sincerely appreciate your consideration of this request and your continued support of our local school community. Please do not hesitate to contact Carl J. Stafford, MA at **816-979-3561** or **carl.stafford@cwckansascity.org** should you require any additional information.

P.S

To submit your coupon request, you can fill out **THIS FORM**, or scan the QR code listed below.

Sincerely,
The CWC Electives Department
